

**NEW ISSUE**

**INTRODUCTORY STATEMENT**

This Official Statement is provided for the purpose of setting forth information concerning the Vermont Municipal Bond Bank (the "Bank") in connection with the sale of \$26,990,000 2017 Series 3 Bonds (the "Series 3 Bonds") and \$27,380,000 2017 Series 4 Refunding Bonds (the "Series 4 Refunding Bonds" and, together with the Series 3 Bonds, the "2017 Bonds"). The 2017 Bonds are issued pursuant to the Vermont Municipal Bond Bank Law, being Public Act No. 216 of the Laws of Vermont of the 1969 Adjourned Session of the Vermont General Assembly, as amended (the "Act").

The 2017 Bonds are to be issued under and are to be secured by the Bank's General Bond Resolution adopted on May 3, 1988 (the "General Resolution") and, for the Series 3 Bonds, the Series 3 Resolution authorizing the issuance of the Series 3 Bonds (the "Series 3 Resolution") and, for the Series 4 Refunding Bonds, the Series 4 Resolution authorizing the issuance of the Series 4 Refunding Bonds (the "Series 4 Resolution"), each adopted June 21, 2017.

**The Bank and the Governmental Units.** The Bank is a body corporate and politic with corporate succession, and is constituted as an instrumentality exercising public and essential governmental functions of the State of Vermont (the "State").

Pursuant to the Act, the Bank is authorized to issue bonds for, among other purposes, (1) providing funds to enable the Bank to make loans to counties, municipalities or other public bodies of the State, including public school districts (the "Governmental Units"), (2) refunding bonds previously issued by the Bank, and (3) establishing or increasing reserves with which to secure or to pay debt service and all other costs and expenses of the Bank incident to and necessary or convenient to carry out its corporate purposes.

Loans to Governmental Units are made through the direct purchase by the Bank from such Governmental Units of their bonds, notes or evidences of debt constituting either general obligations of the Governmental Units (the "General Obligation Bonds") or obligations of the Governmental Units payable solely out of the earnings or profits derived from the operation of a Public Utility (the "Revenue Bonds"). General Obligation Bonds and Revenue Bonds are sometimes collectively referred to herein as "Municipal Bonds." A portion of the proceeds of the Series 3 Bonds will be used to purchase General Obligation Bonds issued by the Governmental Units identified in Table 1 of Appendix B (the "2017 Municipal Bonds"). For a list of all of the Governmental Units that have Municipal Bonds outstanding that were purchased by the Bank pursuant to the General Resolution and the outstanding balances of such Municipal Bonds, see Table 2 of Appendix B hereto.

**The 2017 Bonds.** The 2017 Bonds are being issued to provide monies which will be used, together with other funds of the Bank: (i) to purchase the 2017 Municipal Bonds in the aggregate principal amount of \$29,901,631; (ii) to make a deposit to an escrow account which, together with other funds of the Bank and investment earnings thereon, will be sufficient to advance refund and defease \$26,480,000 principal amount of the Bank's Outstanding 2013 Series 1 Bonds (the "Refunded Bonds"); (iii) to make a deposit into the Reserve Fund (as hereinafter defined) established with U.S. Bank National Association, as trustee (the "Trustee") pursuant to the General Resolution; and (iv) to pay certain costs of issuance of the 2017 Bonds.

See "SOURCES AND USES OF FUNDS" and "PLAN OF REFINANCING" herein and Appendix B hereto.

**Security for the 2017 Bonds.** The 2017 Bonds will constitute general obligations of the Bank, and the full faith and credit of the Bank are pledged for the payment of principal, redemption premium, if any, and interest thereon. The 2017 Bonds and other bonds issued or Outstanding on a parity therewith under the General Resolution (collectively, the "Bonds") are further secured by the pledge of the Municipal Bonds and the amounts paid by the Governmental Units or required to be paid by the Governmental Units to the Bank pursuant to the Loan Agreements for principal and interest on the Municipal Bonds (the "Municipal Bonds Payments") and the investments thereof and the proceeds of such investments, if any, and all funds and accounts established by the General Resolution, except the Rebate Fund.

Pursuant to the Act, the State Treasurer may intercept State funding to Governmental Units that are in default on their Municipal Bonds Payments to the Bank. The Loan Agreements provide that Municipal Bonds Payments are due to the Bank on the 1st day of the month prior to the principal and interest payment dates on the Bonds. Accordingly, the intercept by the State Treasurer is scheduled to occur prior to the principal and interest payment dates on the Bonds. See "SECURITY FOR THE BONDS – Intercept of State Funds and Other Enforcement of Municipal Bonds."

The Bonds are further secured by the Vermont Municipal Bond Bank Revenue Bond Reserve Fund (the "Reserve Fund"). The Reserve Fund is funded in an amount equal to the least of (i) maximum annual debt service coming due in any year on each series of Bonds, (ii) 125% of average annual debt service on each series of Bonds or (iii) 10% of the proceeds of each series of Bonds (the "Required Debt Service Reserve"). Moneys in the Reserve Fund are applied to the payment of the interest on and principal of Bonds issued under the General Resolution, as they become due and payable, to the extent other monies of the Bank, including without limitation, Municipal Bonds Payments and intercepted State funding, if any, are not then available. The Act provides that any draw on the Reserve Fund shall be replenished by appropriation of the General Assembly of the State. While the 2017 Bonds and the replenishment obligation do not constitute a legally enforceable obligation of the State nor create a debt on behalf of the State, Bond Counsel is of the opinion that the State, by its General Assembly, is legally authorized, but not legally obligated, to appropriate annually such sum to restore the Reserve Fund, all to the extent described under "SECURITY FOR THE BONDS – Reserve Fund" herein.

All Bonds, notwithstanding their date of issuance, are secured equally and ratably by all of the above. Additional series of Bonds may be authorized and issued by the Bank pursuant to the General Resolution on a parity with the Bonds. The Bank has issued \$2,092,730,000 in aggregate principal amount of Bonds (including Bonds issued to refund other Bonds) under the General Resolution. For more information regarding parity Bonds under the General Resolution, see "OUTSTANDING BONDS AND OTHER OUTSTANDING INDEBTEDNESS" herein. The Bank has not defaulted on its payments of Bonds under the General Resolution.

The Bank is obligated to pay the principal of and interest on the Bonds only from pledged revenues or funds of the Bank, and the State is not obligated to pay the principal of or interest thereon and neither the faith and credit nor the taxing power of the State is pledged to the payment of the principal of or interest on the Bonds.

For information about the State, including a general description of the State's economy, reference is made to the State's most recent official statement or information statement. Copies of such official statement or information statement as well as the State's most recent Annual Financial Report may be obtained upon written request from the office of the State Treasurer, 109 State Street, Montpelier, Vermont 05601-0564. No representation or warranty is made hereby, as to the timeliness or accuracy of the information contained in any such statements or reports.

**Official Statement.** There follows in this Official Statement a brief description of the Bank together with summaries of the terms of the 2017 Bonds, the Resolution and certain provisions of the Act. All references herein to the Act and the Resolution are qualified in their entirety by reference to such law and such documents, copies of which are available from the Bank, and all references to the 2017 Bonds are qualified in their entirety by reference to the definitive forms thereof and the information with respect thereto contained in the Resolution. Terms not otherwise defined herein shall have the meanings given such terms in Appendix A and the Resolution.

### **THE VERMONT MUNICIPAL BOND BANK**

The Vermont Municipal Bond Bank was created by the Act in 1970 as a body corporate and politic with corporate succession and is constituted as an instrumentality exercising public and essential governmental functions of the State.

#### **Purposes of the Bank**

It is the policy of the State, as declared in the Act, to foster and promote by all reasonable means the provision of adequate capital markets for the financing by Governmental Units of their respective public improvements and other municipal purposes from proceeds of their bonds and notes and to assist such Governmental Units in such financing by making funds available at reduced interest costs for orderly financing especially during periods of restricted credit or money supply, particularly for those Governmental Units not otherwise able to borrow for such purposes. In furtherance of this policy, the Bank is empowered to issue its Bonds to make funds available at reduced rates and on more favorable terms for borrowing by such Governmental Units through the purchase by the Bank of their Municipal Bonds.

Each Governmental Unit requesting the Bank to purchase its Municipal Bonds submits an application to the Bank. If approved, the Governmental Unit enters into a loan agreement (the "Loan Agreement") with the Bank pursuant to which the Governmental Unit issues Municipal Bonds. The payment of principal and interest on the Municipal Bonds, together with other amounts available under the General Resolution, are required to be sufficient to pay principal, redemption premium, if any, and interest on the Bonds.

The directors of the Bank consider and discuss each application for the purchase of Municipal Bonds in open meeting and accept or reject each application. In considering each Governmental Unit's application the directors rely on the information contained therein and such additional information as the directors deem relevant and consult with the Executive Director and the Bank's financial consultants.

**General Obligation Bonds.** The information regarding General Obligation Bonds considered by the directors includes, among other things, the following information supplied by each Governmental Unit: the amount of debt of each Governmental Unit, the amount by which such debt will be increased by the proposed purchase of the Governmental Unit's General Obligation Bonds, the state or local valuation, tax levy and taxes receivable, the population trends and the economic outlook for the community as supplied by the Governmental Unit, any litigation which may affect a Governmental Unit's ability to pay the debt service on its bonds and any legal analysis with respect thereto. The directors' review of the sources of revenue as set forth above includes the nature of such revenue. Nothing has come to the attention of the directors that leads them to believe that such revenue of the Governmental Units making applications will or could be nonrecurring. In certain cases, the Governmental Unit expects to derive revenues from identified sources to pay its General Obligation Bonds. While the general obligation of the Governmental Unit secures its General Obligation Bonds, the timing of the receipt of Municipal Bonds Payments could be affected by a shortfall in revenues.

**Revenue Bonds.** The information and other factors regarding Revenue Bonds considered by the directors include, among other things, the following: financial statements for a period of three years prior to

the date of the application with at least the most recent year having been audited, certification that certain debt service requirements are expected to be met in the future, Vermont Public Service Board approval of new electrical generation capacity construction or construction of electric or transmission facilities, if applicable, the agreement to maintain the coverage of annual net revenues of the project or system to which the proceeds are loaned of not less than 1.25 times the annual debt service on the obligations payable from the subject system, the agreement to limit the issuance of additional bonds to pay for project costs, except when additional bonds are needed to keep the electric system operating or are for other limited purposes, and the agreement to maintain a contingency reserve fund to be funded over not more than four years from revenues at an amount not less than (i) 10% of the operating expenses determined every year based upon the prior fiscal year's actual operating expenses plus (ii) 10% of debt service on such Revenue Bonds for the prior fiscal year. The Bank also requires that (i) the Governmental Unit shall at all times maintain rates, fees or charges which will produce revenues in each year sufficient, together with other moneys available therefor, to pay the debt service in each year on all Revenue Bonds issued for that system which are then outstanding as such Revenue Bonds become due and payable; and (ii) the Governmental Unit comply with certain reporting requirements. The directors may from time to time examine other or different information and impose other or additional requirements on Governmental Units. The directors may also, at their discretion, waive the delivery of information or the requirements imposed on any or all Governmental Units issuing Revenue Bonds. The directors of the Bank may also consider and discuss any litigation which may affect the Governmental Units' ability to pay the debt service on their bonds and any legal analysis with respect thereto. The directors, however, can give no assurance that revenues of any system will be sufficient to meet the obligations of the Governmental Unit on the Revenue Bonds or other obligations of that system.

Under the General Resolution, the Bank has heretofore purchased eight issues of Revenue Bonds in the aggregate principal amount of \$37,360,620, of which seven issues remained outstanding as of June 1, 2017, in the approximate aggregate principal amount of \$20,283,777.

#### **Powers of the Bank**

In order to fulfill its purposes, the Bank has, among others, the following powers:

- (1) To borrow money and to issue its negotiable bonds or notes and to provide for and secure the payment thereof and to provide for the rights of the holders thereof, and to purchase, hold and dispose of any of its bonds or notes;
- (2) To fix and revise from time to time and charge and collect fees and charges for the use of its services or facilities;
- (3) In connection with any loan to a Governmental Unit, to consider the need, desirability or eligibility of the loan, the ability of the Governmental Unit to secure borrowed money from other sources and the costs thereof, and the particular public improvement or purpose to be financed by the Municipal Bonds to be purchased by the Bank;
- (4) To charge for its costs and services in review or consideration of any proposed loan to a Governmental Unit or purchase of Municipal Bonds of a Governmental Unit, and to charge therefor whether or not the loan is made or the Municipal Bonds are purchased;
- (5) To establish any terms and provisions with respect to any purchase of Municipal Bonds by the Bank, including date and maturities of the Municipal Bonds, provisions as to redemption or payment prior to maturity, and any other matters which are necessary, desirable or advisable in the judgment of the Bank;
- (6) To enter into and enforce all contracts necessary, convenient or desirable for the purposes of the Bank or pertaining to any loan to a Governmental Unit or any purchase or sale of Municipal Bonds or

other investments or to the performance of its duties and execution or carrying out of any of its powers under the Act;

(7) To purchase or hold Municipal Bonds at such prices and in such manner as the Bank deems advisable, and to sell Municipal Bonds acquired or held by it at such prices without relation to cost and in such manner as the Bank deems advisable, all consistent with the policy of the State as declared in the legislative findings of the Act;

(8) To invest any funds or monies of the Bank not then required for loan to Governmental Units and for the purchase of Municipal Bonds in the same manner as permitted for investment of funds belonging to the State or held in the treasury, except as otherwise provided by the Act (however, the General Resolution limits investments to certain securities as hereinafter set forth);

(9) To prescribe any form of application or procedure required of a Governmental Unit for the loan or purchase of its Municipal Bonds and to fix the terms and conditions of that loan or purchase and to enter into agreements with Governmental Units with respect to any loan or purchase; and

(10) To do all things necessary, convenient or desirable to carry out the powers expressly granted or necessarily implied in the Act.

The Act requires approval by the State Treasurer and the Governor to make effective any resolution of the Bank regarding the issuance of bonds. The Bank has obtained such approval with respect to the 2017 Bonds.

### **Organization and Membership of the Bank**

The membership of the Bank consists of five directors: the State Treasurer, who is a director ex-officio, and four directors appointed by the Governor with the advice and consent of the State Senate for terms of two years. The four directors appointed by the Governor must be residents of the State and must be qualified voters therein for at least one year next preceding the time of appointment. Each director holds office for the term of his appointment and until his successor shall have been appointed and qualified. A director is eligible for reappointment. Any vacancy in a directorship occurring other than by the expiration of the term is filled for the unexpired term only in the same manner as the original appointment, except that the advice and consent of the Senate is not required if it is not in session.

The directors elect one of their number as Chairman. The directors also elect a Secretary and a Treasurer who need not be directors, and the same person may be elected to serve both as Secretary and Treasurer. The powers of the Bank are vested in the directors thereof, and three directors of the Bank constitute a quorum. Action may be taken and motions and resolutions adopted by the Bank at any meeting thereof by the affirmative vote of at least three directors of the Bank, including the director ex-officio. A vacancy in the directorship of the Bank does not impair the right of a quorum to exercise all the powers and perform all the duties of the Bank.

The Bank's membership is as follows:

DAVID R. KIMEL, *Chair*; term expires January 31, 2018.

Mr. Kimel is a resident of the City of St. Albans, Vermont. He is a retired broadcast group owner and business consultant. He is a member of the Vermont Association of Broadcasters Hall of Fame. He is currently the Manager of the Collins Perley Center. Mr. Kimel also sits on the District Six Environmental Board. He holds a Bachelor of Science degree in Business Administration.

DEBORAH WINTERS, *Treasurer*; term expires January 31, 2018.

## THE 2017 BONDS

### Description

The 2017 Bonds shall be dated their date of delivery, shall mature on December 1 in the years and principal amounts, and shall bear interest at the rates per annum, set forth on the inside cover page of this Official Statement.

The 2017 Bonds shall bear interest from their date, payable on December 1, 2017 and semi-annually thereafter on June 1 and December 1 of each year. The 2017 Bonds initially will be issued as one fully registered bond for each maturity of a series in the aggregate principal amount for such maturity and series as set forth on the inside cover page of this Official Statement in the name of Cede & Co., as registered owner and nominee for The Depository Trust Company, New York, New York (“DTC”). Beneficial ownership in the 2017 Bonds may be acquired or transferred only through book-entries made on the records of DTC and its participants in the principal amount of \$5,000 or integral multiples thereof. The principal of and interest on the 2017 Bonds will be paid by U.S. Bank National Association, as Trustee and paying agent (the “Paying Agent”). As long as DTC or its nominee, Cede & Co., is the registered owner of the 2017 Bonds, such payments will be made directly to Cede & Co. Interest on any 2017 Bond which is payable and is punctually paid or provided for on any interest payment date will be paid to the registered owner at the close of business on the May 15 and November 15 next preceding such interest payment date (the “Record Date”).

### Book-Entry-Only System

Unless otherwise noted, portions of the description which follows of the procedures and record-keeping with respect to beneficial ownership interests in the 2017 Bonds, payment of interest and other payments on the 2017 Bonds to DTC Participants or Beneficial Owners of the 2017 Bonds, confirmation and transfer of beneficial ownership interests in the 2017 Bonds and other bond-related transactions by and between DTC, the DTC Participants and Beneficial Owners of the 2017 Bonds is based solely on information furnished by DTC to the Bank for inclusion in this Official Statement. Accordingly, the Bank, the Governmental Units and the Underwriters do not and cannot make any representations concerning these matters.

The Depository Trust Company (“DTC”), New York, NY, will act as securities depository for the 2017 Bonds. The 2017 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of each series of the 2017 Bonds, each in the aggregate principal amount of such maturity and series, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.6 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for

DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a rating of AA+ from S&P Global Ratings. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of the 2017 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the 2017 Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the 2017 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the 2017 Bonds, except in the event that use of the book-entry system for the 2017 Bonds is discontinued.

To facilitate subsequent transfers, all of the 2017 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the 2017 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the 2017 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such 2017 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the 2017 Bonds within a maturity and series are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the 2017 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Bank as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the 2017 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

The principal of and interest and premium, if any, on the 2017 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Bank or Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with municipal securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the Bank, subject to any statutory or regulatory requirements as may be in

effect from time to time. Payment of the principal of and interest and premium, if any, to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Bank or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the 2017 Bonds at any time by giving reasonable notice to the Bank or Trustee. Under such circumstances, in the event that a successor depository is not obtained, 2017 Bond certificates are required to be printed and delivered.

The Bank may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In such event, 2017 Bond certificates will be printed and delivered.

THE INFORMATION IN THIS SECTION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM SOURCES THAT THE BANK BELIEVES TO BE RELIABLE, BUT THE BANK TAKES NO RESPONSIBILITY FOR THE ACCURACY THEREOF.

### **Redemption Provisions**

The 2017 Bonds shall be transferable only upon the books of the Bank, which shall be kept for the purpose at the corporate trust office of the Trustee, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his duly authorized attorney. Upon the transfer of any 2017 Bond the Bank shall issue in the name of the transferee a new registered 2017 Bond or Bonds of the same aggregate principal amount and maturity as the surrendered 2017 Bond.

In all cases in which the privilege of exchanging bonds or transferring registered bonds is exercised, the Bank shall execute and the Trustee shall deliver bonds in accordance with the provisions of the General Resolution. The 2017 Bonds are interchangeable for bonds of like series at the office of the Trustee upon the payment of a charge sufficient to reimburse it for any tax, fee or any other governmental charge required to be paid. The cost of preparing each new 2017 Bond upon each exchange or transfer, and any other expenses of the Bank or the Trustee incurred in connection therewith (except any applicable tax, fee or other governmental charge) shall be paid by the Bank as an Administrative Expense. See, however, "Book-Entry-Only System" herein for a description of the exchange and transfer provisions applicable to beneficial ownership interests in the 2017 Bonds.

## PLAN OF REFINANCING

In order to refund the Refunded Bonds, certain of the proceeds of the Series 4 Refunding Bonds, together with other available funds of the Bank, will be deposited in an Escrow Fund (the "Escrow Fund") to be held by U.S. Bank National Association, as escrow agent (the "Escrow Agent") under an Escrow Agreement (the "Escrow Agreement") between the Bank and the Escrow Agent. A portion of monies in the Escrow Fund in the amount of \$31,230,263.98 will be applied to the purchase of direct obligations of the United States of America ("Government Obligations") bearing interest and maturing at times sufficient, together with the remaining cash balance in the Escrow Fund, to make all payments of principal of and interest on the Refunded Bonds, until December 1, 2023, to be redeemed on such date at a redemption price of 100% of the outstanding principal amounts thereof. None of the funds in the Escrow Fund shall serve as security for or be available to pay the 2017 Bonds.

## VERIFICATION OF MATHEMATICAL COMPUTATIONS

The arithmetical accuracy of certain computations included in the schedules provided by the Underwriters on behalf of the Bank relating to (a) computation of anticipated receipts of principal of and interest on the Government Obligations and the anticipated payments of principal and interest to redeem the Refunded Bonds, and (b) computation of the yields on the Refunded Bonds and the Government Obligations will be verified by The Arbitrage Group, Inc. (the "Verification Agent"). Such computations will be based solely upon information supplied by the Underwriters on behalf of the Bank. The Verification Agent has restricted its procedures to verifying the arithmetical accuracy of certain computations and has not made any study or evaluation of the information upon which the computations are based and, accordingly, has not expressed an opinion on the data used, the reasonableness of the assumptions reflected in its report, or the achievability of future events.

## **SECURITY FOR THE BONDS**

The following is a brief summary of security for the Bonds, including the 2017 Bonds. For a more detailed description, see Appendix A – “SUMMARY OF CERTAIN PROVISIONS OF THE GENERAL RESOLUTION” hereto, the Resolution and the Act.

The Bank’s obligation to pay the principal of and interest on the 2017 Bonds is subject to the provisions of other resolutions now or hereafter pledging particular monies, assets or revenues to particular notes or bonds. The State is not obligated to pay the principal of or interest on the 2017 Bonds, and neither the faith and credit nor the taxing power of the State is pledged to the payment thereof. The 2017 Bonds are general obligations of the Bank, and the full faith and credit of the Bank are pledged for the payment of the principal or Redemption Price of and interest on the 2017 Bonds.

To secure the payment of the principal or Redemption Price of and interest on the 2017 Bonds, the Bank pledges and assigns for the benefit of the Holders of the 2017 Bonds, all Municipal Bonds and Municipal Bonds Payments. The General Resolution creates a continuing pledge and first lien on the foregoing to secure the full and final payment of the principal or Redemption Price of and interest on all of the bonds issued pursuant to the General Resolution. The Municipal Bonds and the Municipal Bonds Payments, the investments thereof and the proceeds of such investments, if any, and all funds and accounts established by the Resolution (except for any Rebate Fund established in connection with a series of bonds) are pledged for the payment of the principal or Redemption Price of and interest on the 2017 Bonds in accordance with the terms and provisions of the Resolution. The foregoing pledge is subject to the provisions of any other resolutions or indentures pledging and appropriating particular monies, assets or revenues to particular notes or bonds.

There shall at all times be scheduled payments of principal and interest on Municipal Bonds pledged under the General Resolution which, when added to interest and other income estimated by the Bank to be derived from the investment or deposit of money available therefor in any Fund or Account created by the General Resolution, will be sufficient to pay Debt Service on all Outstanding Bonds when due.

### **Loan Agreements and Municipal Bonds Payments**

The Loan Agreement under which a Loan is made to a Municipality must comply with certain terms and conditions, including the following:

(a) the Municipality which is a party to such Loan Agreement must be a Governmental Unit as defined by the Act and the Loan Agreement must be executed in accordance with existing laws;

(b) the Municipality shall, prior to or as soon as practicable upon the issuance of bonds of the Bank issued to make a Loan to the Municipality, issue Municipal Bonds which are valid obligations of the Municipality;

(c) the Municipality shall be obligated to pay Fees and Charges to the Bank at the times and in the amounts which will enable the Bank to pay the amounts specified in “Fees and Charges” below; and

(d) the Bank shall not sell and the Municipality shall not redeem prior to maturity any of the Municipal Bonds prior to the date on which a sufficient amount of Outstanding Bonds issued with respect to the Loan to such Municipality are redeemable, and in the event of any sale or redemption prior to maturity of such Municipal Bonds thereafter, the same shall be in an amount equal to the aggregate of (i) the principal amount, interest to accrue to the next redemption date, and redemption premium, if any, needed to redeem a sufficient amount of Outstanding Bonds to assure that there shall at all times be scheduled payments of principal and interest on Municipal Bonds pledged under the General Resolution, which, when

added to interest and other income estimated by the Bank to be derived from the investment or deposit of money available therefor in any Fund or Account created by the General Resolution, will be sufficient to pay Debt Service on all Outstanding Bonds when due, and (ii) the costs and expenses of the Bank in effecting the redemption of the Bonds so to be redeemed, less the amount of monies available in the applicable sub-account or sub-accounts in the Redemption Account and available for withdrawal from the Reserve Fund and for application to the redemption of Bonds so to be redeemed in accordance with the terms and provisions of the General Resolution, as determined by the Bank.

### **Pledge of Municipal Bonds and Municipal Bonds Payments**

To secure the payment of the principal or Redemption Price of and interest on the Bonds, the Bank pledges and assigns to the Trustee for the benefit of the Holders of the Bonds all Municipal Bonds and Municipal Bonds Payments. The pledge of such Municipal Bonds and Municipal Bonds Payments for the benefit of the Holders of the Bonds shall be valid and binding from and after the date of adoption of the General Resolution, and such Municipal Bonds and Municipal Bonds Payments shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Bank, irrespective of whether such parties have notice thereof. The foregoing pledge is subject to the provisions of any other resolutions or indentures pledging and appropriating particular monies, assets or revenues to particular notes or bonds.

Each Governmental Unit is authorized to incur debt and issue bonds for a variety of capital costs and to secure its obligation as a general obligation of such Governmental Unit payable from unlimited ad valorem property taxes. With respect to certain types of capital costs, bonds may be secured as a revenue obligation of such Governmental Unit, payable from the revenues of the public utility or other revenue-generating project being financed. In the case of general obligation bonds, the Governmental Unit is required by state law to provide annually for the assessment and collection of taxes of an amount sufficient to pay debt service. With respect to public school districts, amounts raised by the levy of unlimited ad valorem property taxes to pay debt service on bonds must be applied to such debt service prior to making any net payments to the State Education Fund used to fund public schools.

### **Fees and Charges**

The Bank shall establish, make, maintain and charge such Fees and Charges to each Municipality to which a Loan is made, and shall from time to time revise such Fees and Charges whenever necessary, so that such Fees and Charges actually collected from each such Municipality will at all times produce monies which, together with other monies available therefor, including any grants made by the United States of America or any agency or instrumentality thereof or by the State or any agency or instrumentality thereof, will be at least sufficient:

- (i) to pay, as the same becomes due, the Administrative Expenses of the Bank; and
- (ii) to pay, as the same become due, the fees and expenses of the Trustee and Paying Agents.

### **Intercept of State Funds and Other Enforcement of Municipal Bonds**

The Bank shall diligently enforce, and take all reasonable steps, actions and proceedings necessary for the enforcement of, all terms, covenants and conditions of all Loan Agreements and the Municipal Bonds evidencing Loans made by the Bank, including the prompt collection of Municipal Bonds Payments and Fees and Charges and the giving of notice to the State Treasurer of any failure or default of any Municipality in making payments with respect to its Municipal Bonds.

On April 19, 2016, the Act was amended with respect to the provisions relating the State Treasurer's ability to intercept State funding to Governmental Units that are in default on their payment obligations on Municipal Bonds acquired or held by the Bank. Effective July 1, 2016, the Act, as so amended, provides that upon receipt by the State Treasurer of written notice from the Bank (or the Trustee) that a Governmental Unit is in default on the payment of principal or interest on a Municipal Bond acquired or held by the Bank, the State Treasurer will immediately withhold all further payment to the Governmental Unit of any or all funds appropriated and payable by the State to the Governmental Unit, until the default is cured. During the default period, the State Treasurer will make direct payment of all, or as much as is necessary, of the withheld amounts to the Bank, or at the Bank's direction, to the Trustee or paying agent for the bonds, so as to cure, or cure insofar as possible, the default as to the bond or the interest on the bond.

On January 26, 2017, the State Treasurer, the Bank and the Commissioner of the Vermont Department of Finance and Management (the "Commissioner") entered into a State Intercept Memorandum of Agreement (the "Intercept MOA") to establish procedures with respect to the intercept of State funds described above. Under the Intercept MOA, upon any failure of a Governmental Unit to pay a Municipal Bonds Payment in full on the due date thereof (which due date is the 1st day of the month prior to the principal and interest payment dates on the Bonds), within ten business days the Bank shall notify the State Treasurer of the amount not paid by such Governmental Unit. No later than six business days following the receipt of such notice, the State Treasurer will determine an estimate of the amount of State funds due to such Governmental Unit for the remainder of the fiscal year and work with the Commissioner to intercept and remit such funds to the Trustee. The Intercept MOA further provides that to the extent there remains any unpaid Municipal Bonds Payments with respect to such Governmental Unit as of the end of a fiscal year of the State, State funds available in the next fiscal year with respect to such Governmental Unit would be intercepted.

The payments described in the paragraph above made by the State Treasurer to the Bank (or the Trustee or paying agent for the bonds) will be credited as if made directly by the Governmental Unit. The payment will be offset against any appropriation otherwise payable to the Governmental Unit by the State during each fiscal year. Upon receipt of the payment, the Bank, or the Bank's trustee or paying agent, will provide written notice of the payment to the Governmental Unit. The Act, as so amended, further provides that no provision thereof shall be construed: (1) to limit, impair, or impede the rights or remedies granted to the holders of bonds issued by the Bank and the Governmental Units; (2) to require the State to continue the payment of State aid or assistance to any Governmental Unit; (3) to limit or prohibit the State from repealing or amending any law relating to State aid or assistance, including the manner and time of payment or apportionment, or the amount of aid or assistance; (4) to create any obligation on the part of the State Treasurer or the State to make any payment on behalf of a defaulting Governmental Unit other than from funds appropriated and payable to a defaulting Governmental Unit by the State.

In addition, the Act provides that on the sale and issuance of any Municipal Bonds to the Bank by any Governmental Unit, that Governmental Unit is deemed to agree that on the failure of that Governmental Unit to pay interest or principal on any of the Municipal Bonds owned or held by the Bank when payable, all defenses to nonpayment are waived. If an execution is issued on that Governmental Unit for payment of such Governmental Unit's General Obligation Bonds and if funds are not available in its treasury to make payment, the governing body of that Governmental Unit shall forthwith assess a tax on the grand list of the Governmental Unit, sufficient to make payment with twelve percent interest thereon, and cause the tax to be collected within sixty days; and further, with respect to Revenue Bonds of a Governmental Unit, upon nonpayment and demand on that Governmental Unit for payment, such Governmental Units shall make payment together with twelve percent interest thereon as provided for by the Act, which shall be due and payable within sixty days. Notwithstanding any other law, including any law under which the Municipal Bonds were issued by that Governmental Unit, the Bank upon nonpayment is constituted a holder or owner of the Municipal Bonds as being in default.

## **Reserve Fund**

The Act provides that the Bank shall establish and maintain a special fund called the Vermont Municipal Bond Bank Revenue Bond Reserve Fund in which there shall be deposited:

- (i) all monies appropriated by the State for the purpose of such fund;
- (ii) all proceeds of bonds required to be deposited therein by terms of any contract between the Bank and its Bondholders or any resolution of the Bank with respect to the proceeds of bonds; and
- (iii) any other monies or funds of the Bank which it determines to deposit therein.

Monies in the Reserve Fund shall be held and applied solely to the payment of the interest on and principal of Bonds issued under the General Resolution, as they become due and payable and for the retirement of Bonds. Money may not be withdrawn if it reduces the amount in the Reserve Fund to an amount less than the Required Debt Service Reserve except for payment of interest then due and payable on Bonds and the principal of Bonds then maturing and payable and for the retirement of Bonds in accordance with the terms of any contract between the Bank and its Bondholders and for which payment other monies of the Bank, including without limitation monies from Municipal Bonds Payments or intercepted State funds, are not then available.

Section 4675 of the Act provides that in order to assure the maintenance of the Required Debt Service Reserve in the Reserve Fund, there shall be appropriated annually and paid to the Bank for deposit in the Reserve Fund, such sum as shall be certified by the Chair of the Bank to the Governor or to the Governor-elect, as is necessary to restore the Reserve Fund to an amount equal to the Required Debt Service Reserve. The Act further provides that the Chair shall annually, on or before February 1, make and deliver to the Governor or to the Governor-elect his certificate stating the sum required to restore the Reserve Fund to the amount aforesaid, that the Governor or Governor-elect shall, on or before March 1, submit a request for appropriation for the sum so certified, and the sum so certified shall be appropriated and paid to the Bank during the then current State fiscal year.

While the 2017 Bonds and the aforesaid provisions of the Act do not constitute a legally enforceable obligation of the State of Vermont nor create a debt on behalf of the State, Bond Counsel is of the opinion that the State of Vermont, by its General Assembly, is legally authorized, but not legally obligated, to appropriate annually such sum as shall have been certified by the Chair of the Bank to the Governor or the Governor-elect as is necessary to restore the Reserve Fund to an amount equal to the Required Debt Service Reserve and, upon the making of such appropriations in accordance with the Act, there shall be paid to the Bank for deposit in the Reserve Fund the amounts appropriated.

VSCS Program Bonds are payable from different funds and assets than, and are not on a parity with, the Bonds.

### **AGREEMENT OF THE STATE AND THE BANK**

Section 4621 of the Act provides that the State does pledge to and agree with the holders of the bonds or notes of the Bank that it will not limit or restrict the rights vested in the Bank to fulfill the terms of any agreement made with bondholders or noteholders, or in any way impair the rights or remedies of such holders until the bonds and notes, together with the interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceedings by or on behalf of such holders, are fully met and discharged, and, under the General Resolution, the Bank covenants that it will not cause the State to take any such action.

### **BONDS AS LEGAL INVESTMENTS**

Under the provisions of Section 4623 of the Act, the 2017 Bonds, in the State of Vermont, are securities in which all public officers and bodies of the State and all its municipalities and municipal subdivisions, all insurance companies and associations, and other persons carrying on an insurance business, all banks, bankers, trust companies, savings banks and savings associations, including savings and loan associations, building and loan associations, investment companies and other persons carrying on a banking business, all administrators, guardians, executors, trustees and other fiduciaries, and all other persons whatsoever who are or may be authorized to invest in bonds or other obligations of the State, may properly and legally invest funds, including capital, in their control or belonging to them.

### **SECURITY FOR PUBLIC DEPOSITS**

Bonds or notes of the Bank are authorized security for any and all public deposits in the State.

### **TAX EXEMPTION**

Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C., Bond Counsel to the Bank (“Bond Counsel”), is of the opinion that, under existing law, interest on the 2017 Bonds will not be included in the gross income of the holders of the 2017 Bonds for federal income tax purposes. This opinion is expressly conditioned upon compliance with certain requirements of the Internal Revenue Code of 1986, as amended (the “Code”), which requirements must be satisfied subsequent to the date of issuance of the 2017 Bonds in order to ensure that interest on the 2017 Bonds is and continues to be excludable from the gross income of the holders thereof. Failure to so comply could cause the interest on the 2017 Bonds to be included in the gross income of the holders thereof, retroactive to the date of issuance of the 2017 Bonds. In particular, and without limitation, those requirements include restrictions on the use, expenditure and investment of proceeds and payment of rebate, or penalties in lieu of rebate, to the United States, subject to certain exceptions. The Bank has provided covenants and certificates as to continued compliance with such requirements.

In the opinion of Bond Counsel, under existing law, because the 2017 Bonds are not “private activity bonds” under the Code, interest on the 2017 Bonds will not constitute a preference item under Section 57(a)(5) of the Code for purposes of computation of the alternative minimum tax imposed on certain individuals and corporations under Section 55 of the Code. However, interest on the 2017 Bonds will be included in the “adjusted current earnings” of corporate holders of the 2017 Bonds and therefore will be

taken into account under Section 56(g) of the Code in the computation of the alternative minimum tax applicable to certain corporations.

Bond Counsel has not opined as to any other matters of federal tax law relating to the 2017 Bonds. However, prospective purchasers should be aware of certain collateral consequences which may result under federal tax law to certain holders of the 2017 Bonds: (i) Section 265 of the Code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the 2017 Bonds or, in the case of a financial institution, that portion of the holder's interest expense allocated to interest on such bonds, (ii) with respect to insurance companies subject to the tax imposed by Section 831 of the Code, Section 832(b)(5)(B)(i) reduces the deduction for losses incurred by 15% of the sum of certain items, including interest on the 2017 Bonds, (iii) interest on the 2017 Bonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the Code, (iv) passive investment income, including interest on the 2017 Bonds, may be subject to federal income taxation under Section 1375 of the Code for an S Corporation that has Subchapter C earnings and profits at the close of the taxable year if greater than 25% of the gross receipts of such S Corporation is passive investment income, (v) Section 86 of the Code requires recipients of certain Social Security and certain Railroad Retirement benefits to take into account in determining gross income receipts or accruals of interest on the 2017 Bonds and (vi) receipt of investment income, including interest on the 2017 Bonds, may, pursuant to Section 32(i) of the Code, disqualify the recipient from obtaining the earned income credit otherwise provided by Section 32(a) of the Code.

Interest paid on tax-exempt obligations such as the 2017 Bonds is generally required to be reported by payors to the Internal Revenue Service ("IRS") and to recipients in the same manner as interest on taxable obligations. In addition, such interest may be subject to "backup withholding" if the bond holder fails to provide the information required on IRS Form W-9, Request for Taxpayer Identification Number and Certification, or the IRS has specifically identified the bond holder as being subject to backup withholding because of prior underreporting. Neither the information reporting requirement nor the backup withholding requirement affects the excludability of interest on the 2017 Bonds from gross income for federal tax purposes.

In the opinion of Bond Counsel, under existing law, interest on the 2017 Bonds is exempt from State of Vermont personal income taxes and State of Vermont corporate income taxes. Bond Counsel has not opined as to the taxability of the 2017 Bonds and the interest thereon under the laws of any state other than Vermont.

For federal and Vermont income tax purposes, interest on the 2017 Bonds includes any original issue discount, which with respect to a 2017 Bond, is equal to the excess, if any, of the stated redemption price at maturity of such bond over the initial offering price at which a substantial amount of all 2017 Bonds of the same series and maturity was sold. Original issue discount accrues based on a constant yield method over the term of a 2017 Bond. Holders of 2017 Bonds should consult their own tax advisors with respect to the computations of original issue discount during the period in which any such 2017 Bond is held.

An amount equal to the excess, if any, of the purchase price of a 2017 Bond over the principal amount payable at maturity constitutes amortizable bond premium for federal and Vermont income tax purposes. The required amortization of such premium during the term of a 2017 Bond will result in reduction of the holder's tax basis on such 2017 Bond. Such amortization also will result in reduction of the amount of the stated interest on the 2017 Bonds taken into account as interest for tax purposes. Holders of 2017 Bonds purchased at a premium should consult their own tax advisors with respect to the determination and treatment of such premium for federal income tax purposes and with respect to the state or local tax consequences of owning such 2017 Bonds.

Bond Counsel has not undertaken to advise in the future whether any events after the date of issuance of the 2017 Bonds, including legislation, court decisions, or administrative actions, whether at the federal or state level, may affect the tax exempt status of interest on the 2017 Bonds or the tax consequences of ownership of the 2017 Bonds. No assurance can be given that future legislation, if enacted into law, will not contain provisions which could directly or indirectly reduce the benefit of the exclusion of the interest on the 2017 Bonds from gross income for federal income tax purposes or any state tax benefit. Tax reform proposals and deficit reduction measures, including the limitation of federal tax expenditures, are expected to be under ongoing consideration by the United States Congress. These efforts to date have included provisions to reduce the benefit of the interest exclusion from income for certain holders of tax-exempt bonds, including bonds issued prior to the proposed effective date of the applicable legislation. Future proposed changes could affect the market value or marketability of the 2017 Bonds and, if enacted, could also affect the tax treatment of all or a portion of the interest on the 2017 Bonds for some or all holders. Holders should consult their own tax advisors with respect to any of the foregoing tax consequences.

On the date of delivery of the 2017 Bonds, the original purchasers thereof will be furnished with an opinion of Bond Counsel substantially in the form attached hereto. See Appendix C – “PROPOSED FORM OF OPINION OF BOND COUNSEL.”

### **LITIGATION AND OTHER PROCEEDINGS**

There is no controversy or litigation of any nature now pending, or to the knowledge of the Bank, threatened, restraining or enjoining the issuance, sale, execution or delivery of the 2017 Bonds or prohibiting the Bank from making the Loans with the proceeds of the Series 3 Bonds or any proceeding of the Bank taken with respect to the issuance or sale thereof, or the pledge or application of any monies or security provided for the payment of the 2017 Bonds or the existence or powers of the Bank.

### **Revenue Fund**

#### **General Account**

The General Resolution provides for the deposit to the General Account of: (i) all proceeds of a Series of Bonds to be used to make Loans; (ii) any income or interest earned by the Reserve Fund due to the investment thereof (provided a transfer will not reduce the amount of the Reserve Fund below the Required Debt Service Reserve); (iii) the balance of monies remaining in the Redemption Account when the Trustee is able to purchase principal amounts of Bonds at a purchase price less than an amount equal to the proceeds from the sale or redemption of Municipal Bonds; (iv) the excess of proceeds resulting from a Municipality's redemption of its Municipal Bonds; and (v) all monies received as Municipal Bonds Payments.

The General Resolution provides for the following withdrawals to be made from the General Account for the following purposes:

(1) On or before each interest payment date of the Bonds, the Trustee shall withdraw from the General Account and deposit in the Interest Account an amount which, when added to the amount then on deposit in the Interest Account, will on such interest payment date be equal to the installment of interest on the Bonds then falling due.

In addition, amounts on deposit in the General Account representing earnings on investments in the Reserve Fund may be deposited at any time into the applicable Rebate Fund in lieu of deposit to the Operating Account for such purpose.

The General Resolution provides that all Fees and Charges received by the Trustee shall be deposited upon receipt in the Operating Account. Such Fees and Charges collected from Municipalities shall be used, together with such portion of the proceeds of the sale of Bonds, if any, as shall be provided by a Series Resolution and the deposits made to the Operating Account from the General Account, as described hereinbefore, and any other monies which may be made available to the Bank for the purposes

of the Operating Account from any source or sources, to pay (i) Administrative Expenses of the Bank, (ii) the fees and expenses of the Trustee and Paying Agents, and (iii) financing costs incurred with respect to a Series of Bonds. Monies at any time held for the credit of the Operating Account shall be used for and applied solely to such purposes. The General Resolution further provides that payments from the Operating Account shall be made by the Trustee upon receipt of a requisition, signed by an Authorized Officer, describing each payment, the amount of the payment, the party to whom payment is to be made, and specifying that each item is a proper charge against the monies in the Operating Account.

### **Interest Account and Principal Account**

(1) The monies in the Interest Account and the Principal Account in the Revenue Fund shall be used solely for the purpose of paying the principal of and interest on the Bonds in the manner provided in the General Resolution. All monies deposited in the Interest Account and the Principal Account in the Revenue Fund shall be disbursed and applied by the Trustee at the times and in the manner provided in the General Resolution.

(2) The Trustee shall, on or before each interest payment date of the Bonds, pay, out of the monies then held for the credit of the Interest Account, to itself and the Paying Agents, the amounts required for the payment by it and such Paying Agents of the interest becoming due on the Bonds on such interest payment date, and such amounts so withdrawn are irrevocably pledged for and shall be applied to the payment of such interest. The Trustee shall also pay out of the Interest Account to itself and the appropriate Paying Agents, on or before any redemption date for Bonds being refunded by a Refunding Issue, the amount required for the payment of interest on the Bonds then to be redeemed, to the extent not otherwise provided pursuant to the General Resolution.

(3) The Trustee shall, on or before each principal payment date of the Bonds, pay, out of the monies then held for the credit of the Principal Account, to itself and the Paying Agents, the amounts required for the payment by it and such Paying Agents of the principal becoming due on the Bonds on such principal payment date, and such amounts so withdrawn are irrevocably pledged for and shall be applied to the payment of such principal.

The General Resolution further provides that in the event there shall be, on any interest payment date, a deficiency in the Interest Account, or in the event there shall be, on any principal payment date, a deficiency in the Principal Account, the Trustee shall make up such deficiencies from the Reserve Fund by the withdrawal of monies therefrom for that purpose.

### **Redemption Account**

The General Resolution provides that the monies in the Redemption Account shall be used solely for the purpose of paying the Redemption Price on the Bonds. The Trustee shall establish in the Redemption Account a separate sub-account for the Bonds of each Series outstanding. Monies held in each such separate sub-account by the Trustee shall be applied to the purchase or retirement of the Bonds of the Series in respect of which such sub-account was created provided that after such purchase or retirement there shall be scheduled payments of principal and interest on Municipal Bonds pledged under the General Resolution which, when added to interest and other income estimated by the Bank to be derived from the investment or deposit of money available therefor in any Fund or Account created by the General Resolution, will be sufficient to pay Debt Service on all Outstanding Bonds when due. Monies for the redemption of Bonds may be deposited in the Redemption Account from the General Account at the direction of the Bank as provided above in paragraph (4), under the caption "General Account", and, if at any time upon the payment or retirement of Bonds at maturity or upon the purchase or redemption of Bonds the monies and securities in the Reserve Fund are in excess of the Required Debt Service Reserve

and the use or transfer of such excess is not otherwise provided for in the General Resolution, the Trustee, upon the request of the Bank, shall transfer such excess to the applicable sub-account in the Redemption Account. In the event Municipal Bonds or other obligations securing a Loan shall be sold by the Bank in accordance with the terms of the applicable Loan Agreement, or redeemed by the Municipality, the Bank shall deposit the proceeds from such sale or redemption, except an amount thereof equal to the cost and expenses of the Bank in effectuating the redemption of the Bonds to be redeemed upon such sale by the Bank or redemption by the Municipality, into the applicable sub-account in the Redemption Account.

If at any time the monies on deposit to the credit of the Reserve Fund, or the investments thereof, are less than the Required Debt Service Reserve, and there are then monies on deposit in any sub-account in the Redemption Account resulting from monies credited thereto from the General Account at the direction of the Bank or from excess monies which have been previously transferred from the Reserve Fund to the Redemption Account resulting from the retirement of Bonds, there shall be withdrawn from sub-accounts and deposited to the credit of the Reserve Fund an amount sufficient (or all the monies in said sub-accounts if less than the amount sufficient) to make up such deficiency.

### **Reserve Fund**

The Reserve Fund shall be held by the Trustee. The Bank shall pay into the Reserve Fund (i) such portion of the monies appropriated and made available by the State and paid to the Bank for the purposes of the Reserve Fund; (ii) all monies paid to the Bank pursuant to Section 4675 of the Act for the purpose of restoring the Reserve Fund to the amount of the Required Debt Service Reserve; (iii) such portion of the proceeds of the sale of the Bonds, if any, as shall be provided by the Series Resolution authorizing the issuance thereof; (iv) such portion of the proceeds of the sale of Notes, if any, as shall be provided by the resolution of the Bank authorizing the issuance thereof; and (v) any other monies which may be made available to the Bank for the purposes of the Reserve Fund from any other source or sources. The Trustee shall deposit in and credit to the Reserve Fund all monies transferred from the General Account and all monies transferred from the Redemption Account as above provided.

Monies and securities held for the credit of the Reserve Fund shall be transferred by the Trustee to the Interest Account and Principal Account at the times and in the amounts required in the event there shall be, on any interest payment date, a deficiency in the Interest Account, or in the event there shall be, on any principal payment date, a deficiency in the Principal Account.

Any income or interest earned by the Reserve Fund due to the investment thereof shall be transferred by the Trustee promptly to the General Account, but only to the extent that any such transfer will not reduce the amount of the Reserve Fund below the Required Debt Service Reserve. If, at any time upon the payment or retirement of Bonds at maturity or upon purchase or redemption, the monies and securities in the Reserve Fund are in excess of an amount equal to the Required Debt Service Reserve and the use or transfer of such excess is not otherwise provided for in the General Resolution, the Trustee, upon the written request of the Bank signed by an Authorized Officer, shall transfer such excess to and deposit the same in the Redemption Account. Currently, the Reserve Fund is invested only in direct obligations of the United States of America described in clause (a) of the second paragraph under the heading "INVESTMENT OF FUNDS." However, the Bank reserves the right to invest the Reserve Fund as permitted under the General Resolution as described under such heading.

## Investment of Funds

The General Resolution provides that all monies held by the Trustee shall be continuously and fully secured, for the benefit of the Bank and the Holders of the Bonds. The Trustee shall invest the Funds and Accounts upon the direction of the Bank as follows:

Monies in the Revenue Fund (and each of the Accounts therein) and the Reserve Fund shall, as nearly as may be practicable, be invested upon the direction of the Bank in obligations the maturity or redemption date at the option of the holder of which shall coincide as nearly as practicable with the times at which monies in such Funds will be required for the purposes provided in the General Resolution as follows: (a) direct obligations of the United States of America for the payment of money, or obligations for the payment of money which are guaranteed or insured as to payment of principal and interest by the United States of America, and direct obligations for the payment of money, issued by an agency or instrumentality of the United States of America, or obligations for the payment of money which are guaranteed or insured as to payment of principal and interest by an agency or instrumentality of the United States of America, (b) bonds and other legally created direct, general obligations of any state of the United States of America, including the commonwealth of Puerto Rico, and any political subdivision of any state of the United States of America for the payment of money, provided that any such issuer at the date of such investment is not in default in the payment of principal or interest on any of its direct, general obligations, (c) direct obligations for the payment of money, issued by an agency or instrumentality of any state of the United States of America or of the commonwealth of Puerto Rico for the payment of money which are guaranteed or insured as to payment of principal and interest by the state or commonwealth of which the issuer is an instrumentality, (d) bonds and other evidences of indebtedness of the United States of America, of any state thereof, or of any political subdivision thereof, or of any public authority or instrumentality of one or more of the foregoing, which are payable as to both principal and interest from adequate special revenues pledged or otherwise appropriated or by law required to be provided for the purpose of that payment, but not including any obligations payable solely out of special assessments on properties benefited by local improvements; except that bonds or evidences or indebtedness of issuers outside the state of Vermont must be, at the time the investment is made, rated "A" or higher by Standard & Poor's Ratings Service or Moody's Investors Service with respect to long term indebtedness and A-1 or P-1 or higher by Standard & Poor's Ratings Service or Moody's Investors Service, respectively, with respect to short term indebtedness (in every case without reference to gradations of such categories such as "plus" or "minus"), (e) interest bearing obligations issued, assumed or guaranteed by any solvent institution created or existing under the laws of the United States of America or of any state, whether or not secured, which are not in default as to interest or principal, if those obligations at the time of investment are rated "A" or higher by Standard & Poor's Ratings Service or Moody's Investors Service with respect to long term indebtedness and P-1 or A-1 or higher by Standard & Poor's Ratings Service or Moody's Investors Service, respectively, with respect to short term indebtedness (in every case without reference to gradations of such categories such as "plus" or "minus"), including, among others, (A) certificates of deposit or time deposits of any bank, any branch of any bank, trust company or national banking association that has a combined capital surplus and undivided profits not less than \$25,000,000, (B) any repurchase agreement with a maturity of not more than 30 days, that is with a bank or trust company (including the Trustee and its affiliates) that has a combined capital, surplus and undivided profits not less than \$100,000,000 or with primary government dealers (any such government dealer must be a member of Securities Investor Protection Corporation), for obligations described in (a) hereof having on the date of the repurchase agreement and on the first day of every month thereafter a fair market value equal to at least 102% of the amount of the repurchase obligation of the bank, trust company or government dealer; provided, however, that (i) the purchase obligation of the bank, trust company or government dealer is collateralized by such obligations themselves, (ii) such obligations purchased must be transferred to the Trustee (unless the purchase agreement is with the bank serving as Trustee or any related party) or a third party agent by physical delivery or by an entry made on

the records of the issuer of such obligations and such Trustee or third party agent and segregated from securities owned generally by the bank, trust company or government dealer, or the Trustee is furnished with an opinion of counsel stating that a perfected security interest under the Uniform Commercial Code of the state in which the securities are located or book entry procedures present at 31 Code of Federal Regulations ("C.F.R.") §306.1 et seq. or 31 C.F.R. §350.0 et seq. in such investments has been created for the benefit of the Holders of the Bonds, and (iii) if the repurchase agreement is with the bank serving as Trustee or any related party, the third party holding such investments holds them as agent for the beneficial owners of the Bonds rather than as agent for the bank serving as Trustee or any other party and the investments be evaluated no less frequently than weekly to determine if their fair market value equals or exceeds the required 102% level and, if upon such valuation, the fair market value is found to be deficient, then the bank, trust company or government dealer shall have no more than five business days to pledge additional obligations authorized hereunder for such repurchase agreement so as to satisfy such requirement or the third party holding the investments must be required to liquidate the collateral and disburse the proceeds to the Trustee, (f) units of a taxable government money market portfolio comprised solely of obligations listed in (a) above with the yield adjusted so as to maintain the value of such units at par and (g) such other investments as may from time to time be permitted by the Act and approved in writing by Moody's Investors Service and Standard & Poor's Ratings Service.

In lieu of the investments of monies above authorized, the Trustee shall upon direction of the Bank deposit monies from any fund or account held by the Trustee under the terms of the General Resolution in interest-bearing time deposits, or shall make other similar banking arrangements, with itself or a member bank or banks of the Federal Reserve System or banks the deposits of which are insured by the Federal Deposit Insurance Corporation; provided, that all monies in each such interest-bearing time deposit or other similar banking arrangement shall be continuously and fully secured by direct obligations of the United States of America or of the State or obligations the principal and interest of which are guaranteed by the United States of America or the State, of a market value equal at all times to the amount of the deposit or the other similar banking arrangement.

### **Issuance of Additional Bonds**

The General Resolution provides that the Bank shall not hereafter create or permit the creation of or issue any obligations or create any additional indebtedness which will be secured by a charge and lien on the Municipal Bonds and the Municipal Bonds Payments or which will be payable from the Revenue Fund or Reserve Fund, except that additional Series of Bonds may be issued from time to time pursuant to a Series Resolution subsequent to the issuance of the initial Series of Bonds under the Resolution on a parity with the Bonds of such initial Series of Bonds and secured by an equal charge and lien on the Municipal Bonds and the Municipal Bonds Payments, and payable equally and ratably from the Revenue Fund and Reserve Fund for the purposes of (i) making Loans to Municipalities, (ii) making payments into the Interest Account, the Operating Account or the Reserve Fund, (iii) the funding of Notes theretofore issued by the Bank to provide funds to make Loans, and (iv) subject to the provisions and limitations on the issuance of Refunding Bonds, the refunding of any Bonds then Outstanding, under the conditions and subject to the limitations stated below.

No additional Series of Bonds shall be issued subsequent to the issuance of the initial Series of Bonds under the Resolution unless:

- (a) the principal amount of the additional Bonds then to be issued, together with the principal amount of the Bonds and Notes of the Bank theretofore issued, will not exceed in aggregate principal amount any limitation thereon imposed by law;

(b) there is at the time of the issuance of such additional Bonds no deficiency in the amounts required by the Resolution or any Series Resolution to be paid into the Revenue Fund and into the Reserve Fund;

(c) the amount of the Reserve Fund, upon the issuance and delivery of such additional Bonds and the deposit in the Reserve Fund of any amount provided therefor in the Series Resolution authorizing the issuance of such additional Bonds, shall not be less than the Required Debt Service Reserve;

(d) the provisions of Section 4675 of the Act providing for the maintenance of the Reserve Fund in an amount equal to the Required Debt Service Reserve by the appropriation and payment of monies by the State for such purpose shall not have been repealed or amended to the detriment of Bondholders; and

(e) upon the issuance of such additional obligations there shall be scheduled payments of principal and interest on Municipal Bonds pledged under the General Resolution which, when added to interest and other income estimated by the Bank to be derived from the investment or deposit of money available therefor in any Fund or Account created by the General Resolution, will be sufficient to pay Debt Service on all Outstanding Bonds when due.

The Bank expressly reserves the right to adopt one or more other general bond resolutions and reserves the right to issue Notes and any other obligations so long as the same are not a charge or lien on the Municipal Bonds, the Municipal Bonds Payments and the Fees and Charges, or payable from the Revenue Fund or Reserve Fund created pursuant to the General Resolution. In addition, the Bank may issue Variable Rate Bonds under the General Resolution.

### **Issuance of Refunding Bonds**

The General Resolution provides that: (1) All or any part of one or more Series of Refunding Bonds may be authenticated and delivered upon original issuance to refund all Outstanding Bonds or any part of one or more Series of Outstanding Bonds. Refunding Bonds shall be issued in a principal amount sufficient, together with other monies available therefor, to accomplish such refunding and to make such deposits required by the provisions of the Act, the General Resolution and the Series Resolution authorizing said Series of Refunding Bonds.

(2) A Series of Refunding Bonds may be authenticated and delivered only upon receipt by the Trustee (in addition to the receipt by it of the documents required by the General Resolution for the delivery of any Series of Bonds) of:

(a) A certificate of an Authorized Officer setting forth (1) the Aggregate Debt Service for the then current and each future calendar year (i) with respect to all Series of Bonds Outstanding immediately prior to such authentication and delivery and (ii) with respect to all Series of Bonds to be Outstanding immediately thereafter, and (2) that the Aggregate Debt Service for each such year set forth pursuant to (1)(ii) of this paragraph (a) is no greater than the Aggregate Debt Service set forth pursuant to (1)(i) of this paragraph (a);

(b) Irrevocable instructions to the Trustee, satisfactory to it, to give due notice of redemption of all the Bonds to be refunded on the redemption date specified in such instructions;

(c) Irrevocable instructions to the Trustee, satisfactory to it, to mail the required notice to the Holders of the Bonds being refunded;

(d) Either (i) monies in an amount sufficient to effect payment at the applicable Redemption Price of the Bonds to be refunded, together with accrued interest on such Bonds to the redemption date, which monies shall be held by the Trustee or any one or more of the Paying Agents in a separate account irrevocably in trust for and assigned to the respective Holders of the Bonds to be refunded, or (ii) direct obligations of the United States of America in such principal amounts, of such maturities, bearing such interest, and otherwise having such terms and qualifications, as shall be necessary to comply with the provisions of the General Resolution relative to defeasance of Bonds and any monies required pursuant thereto, which direct obligations of the United States of America and monies shall be held in trust and used only as provided by such provisions; and

(e) A certificate of an Authorized Officer containing such additional statements as may be reasonably necessary to show compliance with the requirements of the General Resolution which provide for Refunding Bonds.

(3) In the event that the Aggregate Debt Service immediately after issuance of the Refunding Bonds is reduced, the Bank shall allocate the Debt Service savings to certain Municipalities in the manner specified in the Series Resolution authorizing such Series.

#### **Modification of Loan Agreement Terms**

The Bank shall not consent to the modification of, or modify, the rate or rates of interest or method of determining such rates, or the amount or time of payment of any installment of principal or interest of any Municipal Bonds evidencing a Loan, or the amount or time of payment of any Fees and Charges payable with respect to such Loan, or the security for or any terms and provisions of such Loan or the Municipal Bonds evidencing the same, in a manner which adversely affects or diminishes the rights of the Bondholders; provided, however, that, in the event the Bonds issued to provide the funds with which the Bank has made a Loan are being or have been refunded and the Refunding Bonds are in a principal amount in excess of or less than the principal amount of the Bonds refunded, the Bank may consent to the modification of and modify the Loan Agreement relating to such Loan and the Municipal Bonds evidencing the same, and the Municipal Bonds Payments to be made thereunder so long as such Municipal Bonds Payments are sufficient to maintain the scheduled payments of principal and interest on Municipal Bonds pledged under the General Resolution which, when added to interest and other income estimated by the Bank to be derived from the investment or deposit of money available therefor in any Fund or Account created by the General Resolution, will be sufficient to pay Debt Service on all Outstanding Bonds when due.

#### **Sale of Municipal Bonds by Bank**

The Bank shall not sell any Municipal Bonds or other obligations issued as evidence of a Loan made by the Bank prior to the date on which a sufficient amount of Outstanding Bonds issued with respect to such Loan are redeemable, and shall not after such date sell any such Municipal Bonds or other obligations issued as evidence of a Loan made by the Bank, unless the sales price thereof received by the Bank shall not be less than the aggregate of: (i) the principal amount, the interest to accrue to the redemption date and redemption premium, if any, needed to redeem a sufficient amount of Bonds to assure Bank compliance with the provisions of the General Resolution governing the scheduled payments of principal and interest on Municipal Bonds pledged under the General Resolution which, when added to interest and other income estimated by the Bank to be derived from the investment or deposit of money available therefor in any Fund or Account created by the General Resolution, will be sufficient to pay Debt Service on all Outstanding Bonds when due, and (ii) the costs and expenses of the Bank in effecting

the redemption of the Outstanding Bonds so to be redeemed, less the amount of monies or securities available in the applicable sub-account or sub-accounts in the Redemption Account and available for withdrawal from the Reserve Fund and for application to the redemption of such Bonds in accordance with the terms and provisions of the General Resolution, as determined by the Bank.

### **Account and Reports**

(1) The Bank shall keep, or cause to be kept, proper books of record and account in which complete and correct entries shall be made of its transactions relating to all Municipal Bonds Payments, Municipal Bonds, the Fees and Charges and all funds and accounts established by the General Resolution, which shall at all reasonable times be subject to the inspection of the Trustee and the Holders of an aggregate of not less than five percent (5%) in principal amount of Bonds then Outstanding or their representatives duly authorized in writing.

(2) The Bank shall annually, within ninety (90) days after the close of each Fiscal Year, file with the Trustee a copy of an annual report for such Fiscal Year (the "Annual Report"), accompanied by an Accountant's Certificate, setting forth in complete and reasonable detail: (a) its operations and accomplishments; (b) its receipts and expenditures during such Fiscal Year in accordance with the categories or classifications established by the Bank for its operating and capital outlay purposes; (c) its assets and liabilities at the end of such Fiscal Year, including a schedule of its Municipal Bonds Payments, Municipal Bonds, Fees and Charges and the status of reserve, special or other funds and the funds and accounts established by the General Resolution; and (d) a schedule of its Bonds Outstanding and other obligations outstanding at the end of such Fiscal Year, together with a statement of the amounts paid, redeemed and issued during such Fiscal Year. A copy of each such annual report and Accountant's Certificate shall be mailed promptly thereafter by the Bank to each Bondholder who shall have filed his name and address with the Bank for such purpose.

### **Budgets**

(1) The Bank shall, at least sixty (60) days prior to the beginning of each calendar year, prepare and file in the office of the Trustee a preliminary budget covering its fiscal operations for the succeeding calendar year which shall be open to inspection by any Bondholder. The Bank shall also prepare a summary of such preliminary budget and on or before forty-five (45) days prior to the beginning of each calendar year mail a copy thereof to any Bondholder who shall have filed his name and address with the Bank for such purpose.

(2) In the event the Holders of ten percent (10%) or more in principal amount of the Outstanding Bonds shall file with the Bank thirty (30) days or more prior to the beginning of a calendar year a written request for a public hearing on such preliminary budget, the Bank shall call and hold such public hearing in the City of Montpelier, in the State of Vermont, such hearing to be held not later than fifteen (15) days prior to the beginning of such calendar year. Notice of such public hearing shall be published once in an Authorized Newspaper, not less than ten (10) days prior to the date of such hearing, and shall contain a statement of the purpose of the hearing and the place and hour at which the same will be held. At such hearing any Bondholder, or his duly authorized attorney or representative, shall be entitled to be heard on any of the provisions contained in such preliminary budget.

(3) The Bank shall adopt an annual budget covering its fiscal operations for the succeeding calendar year not later than December 1 of each year and file the same with the Trustee and with such officials of the State as required by the Act, as then amended, which budget shall be open to inspection by any Bondholder. In the event the Bank shall not adopt an annual budget for the succeeding calendar year on or before December 1, the budget for the preceding calendar year shall be deemed to have been

adopted and be in effect for such calendar year until the annual budget for such calendar year shall have been adopted as above provided. The Bank may at any time adopt an amended annual budget in the manner provided in the Act as then amended.

### **Personnel and Servicing of Programs**

(1) The Bank shall at all times appoint, retain and employ competent personnel for the purpose of carrying out its respective programs and shall establish and enforce reasonable rules, regulations, tests and standards governing the employment of such personnel at reasonable compensation, salaries, fees and charges and all persons employed by the Bank shall be qualified for their respective positions.

(2) The Bank may pay to the respective State agency, municipality or political subdivision of the State from the Operating Account such amounts as are necessary to reimburse the respective State agency, municipality or political subdivision of the State for the reasonable costs of any services performed for the Bank.

### **Waiver of Laws**

The Bank shall not at any time insist upon or plead in any manner whatsoever, or claim or take the benefit or advantage of any stay or extension law now or at any time hereafter in force which may affect the covenants and agreements contained in the General Resolution or in any Series Resolution or in the Bonds, and all benefit or advantage of any such law or laws has been expressly waived by the Bank.

### **Defaults**

The Trustee shall be and by the General Resolution is vested with all of the rights, powers and duties of a trustee appointed by Bondholders pursuant to Section 4702 of the Act, and the right of Bondholders to appoint a trustee pursuant to Section 4702 of the Act is abrogated in accordance with the provision of subdivision 18 of Section 4648 of the Act.

The General Resolution declares each of the following events an "event of default":

(a) If the Bank shall default in the payment of the principal or Redemption Price of or interest on any Bond when and as the same shall become due, whether at maturity or upon call for redemption, and such default shall continue for a period of thirty (30) days; or

(b) if the Bank shall fail or refuse to comply with the provisions of Section 4675 of the Act, or the State shall fail to appropriate and pay to the Bank, as and when required by such Section, for deposit in the Reserve Fund any amount or amounts as shall be certified by the Chairman of the Bank pursuant to such provisions of the Act; or

(c) if the Bank shall fail or refuse to comply with the provisions of the Act, other than as provided in (b) above, or shall default in the performance or observance of any other of the covenants, agreements or conditions on its part in the General Resolution, any Series Resolution, any Supplemental Resolution, or in the Bonds contained, and such failure, refusal or default shall continue for a period of forty-five (45) days after written notice thereof by the Holders of not less than five percent (5%) in principal amount of the Outstanding Bonds;

provided, however, that an event of default shall not be deemed to exist under the provisions of clause (c) above upon failure of the Bank to make and collect Fees and Charges required to be made and collected

by the provisions of the General Resolution or upon the failure of the Bank to enforce any obligation undertaken by a Municipality pursuant to a Loan Agreement including the making of the stipulated Municipal Bonds Payments so long as the Bank may be otherwise directed by law and so long as the Bank shall be provided with monies from the State or otherwise, other than withdrawals from or reimbursements of the Reserve Fund, sufficient in amount to pay the principal of and interest on all Bonds as the same shall become due during the period for which the Bank shall be directed by law to abstain from making and collecting such Fees and Charges and from enforcing the obligations of Municipalities under the applicable Loan Agreement.

### **Remedies**

(1) Upon the happening and continuance of any event of default specified in paragraph (a) above, the Trustee shall proceed, or upon the happening and continuance of any event of default specified in paragraphs (b) and (c) above, the Trustee may proceed, and upon the written request of the Holders of not less than twenty-five percent (25%) in principal amount of the Outstanding Bonds shall proceed, in its own name, to protect and enforce its rights and the rights of the Bondholders by such of the following remedies, as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights;

(a) by mandamus or other suit, action or proceeding at law or in equity, enforce all rights of the Bondholders, including the right to require the Bank to make and collect Fees and Charges and Municipal Bonds Payments adequate to carry out the covenants and agreements as to, and pledge of, such Fees and Charges and Municipal Bonds Payments, and other properties and to require the Bank to carry out any other covenant or agreement with Bondholders and to perform its duties under the Act;

(b) by bringing suit upon the Bonds;

(c) by action or suit in equity, to require the Bank to account as if it were the Trustee of an express trust for the Holders of the Bonds;

(d) by action or suit in equity, to enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Bonds; and

(e) in accordance with the provisions of the Act, declare all Bonds due and payable, and if all defaults shall be made good, then, with the written consent of the Holders of not less than twenty-five percent (25%) in principal amount of the Outstanding Bonds, to annul such declaration and its consequences.

(2) In the enforcement of any remedy under the Resolution, the Trustee shall be entitled to sue for, enforce payment on and receive any and all amounts then or during any default becoming, and any time remaining, due from the Bank for principal, Redemption Price, interest or otherwise, under any provision of the General Resolution or a Series Resolution or of the Bonds, and unpaid, with interest on overdue payments at the rate or rates of interest specified in such Bonds, together with any and all costs and expenses of collection and of all proceedings thereunder and under such Bonds, without prejudice to any other right or remedy of the Trustee or of the Bondholders, and to recover and enforce a judgment or decree against the Bank for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect from any monies available for such purpose, in any manner provided by law, the monies adjudged or decreed to be payable.

### **Priority of Payments After Default**

In the event that the funds held by the Trustee and Paying Agents shall be insufficient for the payment of interest and principal or Redemption Price then due on the Bonds, such funds (other than funds held for the payment or redemption of particular Bonds which have theretofore become due at maturity or by call for redemption) and any other monies received or collected by the Trustee acting pursuant to the Act and the General Resolution, after making provision for the payment of any expenses necessary in the opinion of the Trustee to protect the interests of the Holders of the Bonds, and for the payment of the charges and expenses and liabilities incurred and advances made by the Trustee or any Paying Agents in the performance of their respective duties under the General Resolution, shall be applied as follows:

(a) Unless the principal of all the Bonds shall have become or have been declared due and payable,

First: To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference; and

Second: To the payment to the persons entitled thereto of the unpaid principal or Redemption Price of any Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal or Redemption Price due on such date, to the persons entitled thereto, without any discrimination or preference.

(b) If the principal of all of the Bonds shall have become or have been declared due and payable, to the payment of the principal and interest then due and unpaid upon the Bonds without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds.

These provisions are in all respects subject to provisions in the General Resolution as to the extension of payment of principal and interest on the Bonds.

Whenever monies are to be applied by the Trustee pursuant to the provisions of the General Resolution provision governing priority of payments after default, such monies shall be applied by the Trustee at such times, and from time to time, as the Trustee in its sole discretion shall determine, having due regard to the amount of such monies available for application and the likelihood of additional money becoming available for such application in the future; the deposit of such monies with the Paying Agents, or otherwise setting aside such monies in trust for the proper purpose, shall constitute proper application by the Trustee; and the Trustee shall incur no liability whatsoever to the Bank, to any Bondholder or to any other person for any delay in applying any such monies, so long as the Trustee acts with reasonable diligence, having due regard for the circumstances, and ultimately applies the same in accordance with such provisions of the General Resolution as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such monies, it shall fix the date (which shall be an interest payment date unless the Trustee shall deem another date more suitable) upon which

such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate for the fixing of any such date. The Trustee shall not be required to make payment to the Holder of any Bond unless such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

### **Termination of Proceedings**

In case any proceeding taken by the Trustee on account of any event of default shall have been discontinued or abandoned for any reason, then in every such case the Bank, the Trustee and the Bondholders shall be restored to their former positions and rights under the General Resolution, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been taken.

### **Limitation on Rights of Bondholders**

No Holder of any Bond shall have any right to institute any suit, action, mandamus or other proceeding in equity or at law under the General Resolution, or for the protection or enforcement of any right under the General Resolution or any right under law unless such Holder shall have given to the Trustee written notice of the event of default or breach of duty on account of which such suit, action or proceeding is to be taken, and unless the Holders of not less than twenty-five percent (25%) in principal amount of the Bonds then Outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have occurred, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted by the General Resolution or granted under the law or to institute such action, suit or proceeding in its name and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time; and such notification, request and offer of indemnity are declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers under the General Resolution or for any other remedy provided in the General Resolution or under law. It is understood and intended that no one or more Holders of the Bonds secured shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of the General Resolution, or to enforce any right thereunder or under law with respect to the Bonds or the General Resolution, except in the manner therein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner therein provided and for the benefit of all Holders of the Outstanding Bonds. Notwithstanding the foregoing provisions, the obligation of the Bank shall be absolute and unconditional to pay the principal and Redemption Price of and interest on the Bonds to the respective Holders thereof pertaining thereto at the respective due dates thereof, and nothing therein shall affect or impair the right of action, which is absolute and unconditional, of such Holders to enforce such payment.

Anything in the General Resolution to the contrary notwithstanding, each Holder of any Bond by his acceptance thereof shall be deemed to have agreed that any court in its discretion may require, in any suit for the enforcement of any right or remedy under the General Resolution or any Series Resolution, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the reasonable costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorney's fees, against any party litigant in any suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but such provisions shall not apply to any suit instituted by the Trustee, to any suit instituted by any Bondholder, or group of Bondholders, holding at least twenty-five percent (25%) in principal amount of the Bonds Outstanding, or to any suit instituted by any Bondholder for the enforcement of the payment of

the principal or Redemption Price of or interest on any Bond on or after the respective due date thereof expressed in such Bond.

### **Remedies Not Exclusive**

No remedy conferred upon or reserved to the Trustee or to the Holders of the Bonds under the General Resolution is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given thereunder or now or hereafter existing at law or in equity or by statute.

### **No Waiver of Default**

No delay or omission of the Trustee or of any Holder of the Bonds to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by the General Resolution to the Trustee and the Holders of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

### **Notice of Event of Default**

The Trustee shall give to the Bondholders notice of each event of default under the General Resolution known to the Trustee within ninety (90) days after the knowledge of the occurrence thereof, unless such event of default shall have been remedied or cured before the giving of such notice; provided that, except in the case of default in the payment of the principal or Redemption Price of or interest on any of the Bonds, or in the making of any payment required to be made into the Revenue Fund or the Reserve Fund, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee, or a trust committee of directors or responsible officers of the Trustee in good faith determines that the withholding of such notice is in the interests of the Bondholders. Each such notice of event of default shall be given by the Trustee by mailing written notice thereof: (1) to all registered Holders of Bonds, as the names and addresses of such Holders appear upon the books for registration and transfer of Bonds as kept by the Trustee; (2) to such Bondholders as have filed their names and addresses with the Trustee for that purpose; and (3) to such other persons as is required by law.

### **Modifications of Resolution and Outstanding Bonds**

The General Resolution provides procedures whereby the Bank may amend the General Resolution or a Series General Resolution by adoption of a supplemental resolution. Amendments that may be made without the consent of Bondholders must be for purposes of further securing the Bonds, imposing further limitations on or surrendering rights of the Bank or curing ambiguities.

Amendments of the respective rights and obligations of the Bank and the Bondholders may be made with the written consent of the Holders of not less than sixty-six and two-thirds percent (66 $\frac{2}{3}$ %) in principal amount of the Outstanding Bonds to which the amendment applies; but no such amendment shall permit a change in the terms of redemption or maturity of the principal of any Bond or of any installment of interest thereon or a reduction in the principal amount or Redemption Price thereof, or the rate of interest thereon or reduce the percentages or otherwise affect the classes of Bonds the consent of the Holders of which is required to effect such amendment.

Amendments may be made in any respect with the written consent of the Holders of all of the Bonds then Outstanding.

## Defeasance

(1) If the Bank shall pay or cause to be paid to the Holders of all Bonds and coupons then Outstanding, the principal and interest and Redemption Price, if any, to become due thereon, at the times and in the manner stipulated therein and in the General Resolution, then, at the option of the Bank, expressed in an instrument in writing signed by an Authorized Officer and delivered to the Trustee, the covenants, agreements and other obligations of the Bank to the Bondholders shall be discharged and satisfied. In such event, the Trustee shall, upon the request of the Bank, execute and deliver to the Bank all such instruments as may be desirable to evidence such discharge and satisfaction and the Fiduciaries shall pay over or deliver to the Bank all money, securities and funds held by them pursuant to the General Resolution which are not required for the payment or redemption of Bonds not theretofore surrendered for such payment or redemption.

(2) Bonds or interest installments for the payment or redemption of which monies shall have been set aside and shall be held in trust by the Fiduciaries (through deposit by the Bank of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in paragraph (1) above. All Outstanding Bonds of any Series shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in paragraph (1) above if (a) in case any of said Bonds are to be redeemed on any date prior to their maturity, the Bank shall have given to the Trustee in form satisfactory to it, irrevocable instructions to mail notice of redemption on said date of such Bonds, (b) there shall have been deposited with the Trustee either monies in an amount which shall be sufficient, or direct obligations of the United States of America the principal of and the interest on which when due will provide monies which, together with the monies, if any, deposited with the Trustee at the same time, shall be sufficient, to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be, and (c) in the event said Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the Bank shall have given the Trustee in form satisfactory to it irrevocable instructions to mail notice to the Holders of such Bonds that the deposit required by (b) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with the General Resolution and stating such maturity or redemption date upon which monies are to be available for the payment of the principal or Redemption Price, if applicable, on said Bonds. Failure to mail any notice shall not effect the ability of the Bank to defease any of the Bonds. Neither direct obligations of the United States of America or monies deposited with the Trustee pursuant to the provision in the General Resolution providing for defeasance or principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if applicable, and interest on said Bonds; provided, however, that any cash received from such principal or interest payments on such direct obligations of the United States of America deposited with the Trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in direct obligations of the United States of America maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if applicable, and interest to become due on said Bonds on and prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestment shall be paid over to the Bank, as received by the Trustee, free and clear of any trust, lien or pledge.

(3) Anything in the General Resolution to the contrary notwithstanding, any monies held by the Fiduciary in trust for the payment and discharge of any of the Bonds which remain unclaimed for six (6) years after the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such monies were held by the Fiduciary at such date, or for six (6) years after the date of deposit of such monies if deposited with the Fiduciary after the said date when such Bonds became due and payable, shall, at the written request of the Bank, be repaid by the Fiduciary

to the Bank, as its absolute property and free from trust, and the Fiduciary shall thereupon be released and discharged with respect thereto and the Bondholders shall look only to the Bank for the payment of such Bonds; provided, however, that before being required to make any such payment to the Bank, the Fiduciary shall, at the expense of the Bank, mail to the Bondholders and cause to be published at least twice, at an interval of not less than seven days between publications, in an Authorized Newspaper, a notice that said monies remain unclaimed and that, after a date named in said notice, which date shall be not less than thirty (30) days after the date of the first publication of such notice, the balance of such monies then unclaimed will be returned to the Bank.

Re: Vermont Municipal Bond Bank 2017 Series 3 Bonds and 2017 Series 4 Refunding Bonds (collectively, the "Bonds")

We have acted as bond counsel to the Vermont Municipal Bond Bank (the "Bank") in connection with the issuance by the Bank of the Bonds pursuant to the provisions of the Vermont Municipal Bond Bank Law, Public Act No. 216 of the Laws of Vermont enacted by the General Assembly of the State of Vermont at the 1969 Adjourned Session, as amended (the "Act"), the General Bond Resolution adopted by the Bank on May 3, 1988, as amended (the "General Resolution"), and the Series Resolutions adopted by the Bank on June 21, 2017 authorizing the issuance of the Bonds (the "Series Resolutions," and together with the General Resolution, the "Resolutions"). Terms not otherwise defined herein shall have the same meanings as set forth in the Resolutions.

We have examined the law and such certified proceedings and other papers as we have deemed necessary to render this opinion. In addition, we have examined and relied upon the opinions of bond counsel to the governmental units (as defined in the Act) (the "Governmental Units"), dated the date hereof, relative to the validity and enforceability of the bonds issued by such Governmental Units (said bonds and other bonds heretofore acquired, the "Municipal Bonds") which secure the loans financed by the Bank from a portion of the proceeds of the Bonds (the "Loans"), and to the validity and enforceability of the respective loan agreements entered into by such Governmental Units (the "Loan Agreements").

The Bonds are being issued by means of a book-entry-only system, with bond certificates immobilized at The Depository Trust Company, New York, New York ("DTC"), and not available for distribution to the public, evidencing ownership of the Bonds in denominations of \$5,000 or integral multiples thereof, with transfers of beneficial ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC and its participants.

The Bonds are payable on December 1 in the years and principal amounts, bear interest at the rates and are subject to redemption prior to maturity, all as provided in the Series Resolution.

As to questions of fact material to our opinion, we have relied upon the representations of the Bank contained in the Resolutions and in the certified proceedings and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation.

BOSTON | LONDON | LOS ANGELES | NEW YORK | SAN DIEGO | SAN FRANCISCO | STAMFORD | WASHINGTON

Based upon the foregoing, we are of the opinion that, under existing law:

1. The Bank is duly created and validly existing as a body politic and corporate constituted as an instrumentality of the State of Vermont (the "State"), under and pursuant to the laws of the State with the power to adopt the Resolutions, perform the agreements on its part contained therein and issue the Bonds.
2. The Resolutions have been duly adopted by the Bank and constitute valid and binding obligations of the Bank enforceable upon the Bank.
3. Pursuant to the Act and subject to the exceptions and terms of the Resolutions, the Resolutions create a valid lien on the Municipal Bonds, the Municipal Bond Payments and moneys and securities held or set aside thereunder (except for the Rebate Fund) for the security of the Bonds on a parity with other bonds issued or to be issued under the General Resolution.
4. The Bonds have been duly authorized, executed and delivered by the Bank and are valid and binding direct and general obligations of the Bank, and the full faith and credit of the Bank are pledged to the payment of the principal of and interest on the Bonds.
5. In the General Resolution, the Bank has validly covenanted and will be legally obligated to enforce and take all reasonable steps, actions and proceedings necessary for the enforcement of all terms, covenants and conditions of the Municipal Bonds securing the Loans made by the Bank, including the prompt collection of payments of principal and interest on such Municipal Bonds and Fees and Charges (as defined in the General Resolution), and to make and deliver to the Governor or Governor-elect of the State, in compliance with the provisions of the Act, a certificate stating the amount, if any, required to restore the Reserve Fund to the Required Debt Service Reserve. Further, the General Assembly of the State is legally authorized, although not legally obligated, to appropriate annually such sum as shall have been certified by the Chair of the Bank to the Governor or Governor-elect of the State as is necessary to restore the Reserve Fund to an amount equal to the Required Debt Service Reserve, and upon the making of such appropriations in accordance with the Act there shall be paid to the Bank for deposit in the Reserve Fund the amounts appropriated.
6. Interest on the Bonds will not be included in the gross income of the holders of the Bonds for federal income tax purposes. This opinion is rendered subject to compliance with various requirements of the Internal Revenue Code of 1986, as amended, which must be satisfied subsequent to the issuance of the Bonds in order that interest thereon is and continues to be excluded from gross income for federal income tax purposes. Failure to comply with certain of such requirements could cause interest on the Bonds to be included in the gross income of holders of the Bonds retroactive to the date of issuance of the Bonds. While interest on the Bonds will not constitute a preference item for purposes of computation of the alternative minimum tax imposed on certain individuals and corporations, interest on the Bonds will be included in "adjusted current earnings" of corporate holders of the Bonds and therefore will be taken into account in computing the

alternative minimum tax imposed on certain corporations. We express no opinion as to other federal tax consequences resulting from holding the Bonds.

7. Interest on the Bonds is exempt from State of Vermont personal income taxes and State of Vermont corporate income taxes.
8. Except as set forth in paragraph (6), we express no opinion as to federal tax consequences of holding the Bonds, and except as set forth in paragraph (7), we express no opinion as to any state or local tax consequences arising with respect to the Bonds.

It is to be understood that the rights of the holders of the Bonds and the enforceability of the Bonds and the Resolutions may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

## INDEPENDENT AUDITOR'S REPORT

The Board of Directors  
Vermont Municipal Bond Bank

### Report on the Financial Statements

We have audited the accompanying financial statements of the business-type activities and each major fund of the Vermont Municipal Bond Bank (the Bond Bank), a component unit of the State of Vermont, as of and for the year ended December 31, 2016, and the related notes to the financial statements, which collectively comprise the Bond Bank's basic financial statements as listed in the table of contents.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### *Opinions*

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities and each major fund of the Vermont Municipal Bond Bank as of December 31, 2016, and the respective changes in financial position and cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

***Other Matters***

***Report on Summarized Comparative Information***

We have previously audited the Bond Bank's 2015 financial statements, and we expressed unmodified audit opinions on the respective financial statements of the business-type activities and each major fund in our report dated June 9, 2016. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2015, is consistent, in all material respects, with the audited financial statements from which it has been derived.

***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated June 7, 2017 on our consideration of the Bond Bank's internal control over financial reporting; on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements; and on other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Bond Bank's internal control over financial reporting and compliance.

**VERMONT MUNICIPAL BOND BANK  
MANAGEMENT'S DISCUSSION AND ANALYSIS  
DECEMBER 31, 2016**

The Vermont Municipal Bond Bank (Bank or VMBB) was enacted in 1969 as an instrumentality of the State of Vermont. The Bank's primary purpose is to provide Vermont's municipalities with inexpensive access to capital markets. To date, the Bank has issued over \$2.3 billion in tax-exempt and taxable bonds through 81 series of bonds, including 27 refunding bonds.

This discussion of the VMBB's financial performance provides an overview of the Bank's financial activities for the fiscal year ended December 31, 2016. The statements are divided into two funds. The Bond Fund reports the financial activities of the pool of funds loaned to municipalities. The Bond Fund assets and liabilities are held by one corporate trustee, U.S. Bank, N.A. The Operating Fund is made up of activities relating to the administrative operations of the VMBB.

The \$41,870,000 2016 Series 1 Bonds provided loans to 20 municipalities, and \$52,390,000 2016 Series 2 Refunding Bonds were issued to advance refund the VMBB's previously issued 2007 Series 2, 2010 Series 1, 2011 Series 2, and 2011 Series 5 bonds. In 2015, the Bank issued \$115,965,000 through five series of bonds. **1. Authorizing legislation and nature of funds (continued):**

- B. Basis of presentation and nature of funds - The financial statement presentation follows the recommendations of the Governmental Accounting Standards Board (GASB) in its Statement No. 34, *Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments*. The Bond Bank is a special-purpose entity with only business-type activities. Under GASB Statement No. 34, such entities should present only the financial statements required for enterprise funds. The accompanying financial statements include two distinct funds, each of which is considered a separate accounting entity. The following funds are used by the Bond Bank.

Operating Fund - The Operating Fund is used to administer the operations of the Bond Bank and derives its revenues principally from investment income.

**2. Summary of significant accounting policies:**

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements follows:

- A. Advance refundings - All advance refundings completed are accounted for in accordance with the provisions of GASB Statement No. 23, *Accounting and Financial Reporting for Refundings of Debt Reported by Proprietary Activities*. Under GASB Statement No. 23, the difference between the reacquisition price and the net carrying amount of the old debt is amortized as a component of interest expense over the remaining life of the old debt, or the life of the new debt, whichever is shorter. The unamortized portion is reported as a deferred outflow of resources.
- B. Fund accounting - The financial statements of the Bond Bank have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) in conformity with the principles of fund accounting.
- C. Measurement focus and basis of accounting - The Bond Bank uses the economic resources measurement focus and the accrual basis of accounting whereby revenues are recorded when earned and expenses are recorded when the obligation for payment is incurred. Operating revenues include interest from loans to municipalities and accrued interest receivable from municipalities. Interest expense on related bonds payable is recorded as a nonoperating expense in accordance with GASB Statements No. 9 and 34.
- D. Cash equivalents - The Bond Bank considers all unrestricted highly liquid investments with original maturities of three months or less to be cash equivalents.
- E. Investments - The Directors appoint trustees to oversee the investments in the Bond Fund. As of December 31, 2016, the Trustee is the U.S. Bank National Association. The Directors engaged McDonnell Investment Management, LLC to provide investment management services for the Operating Fund.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN  
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE  
WITH *GOVERNMENT AUDITING STANDARDS***

The Board of Directors  
Vermont Municipal Bond Bank

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities and each major fund of the Vermont Municipal Bond Bank, a component unit of the State of Vermont, as of and for the year ended December 31, 2016, and the related notes to the financial statements, which collectively comprise the Vermont Municipal Bond Bank's basic financial statements, and have issued our report thereon dated June 7, 2017.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Vermont Municipal Bond Bank's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Vermont Municipal Bond Bank's internal control. Accordingly, we do not express an opinion on the effectiveness of the Vermont Municipal Bond Bank's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Vermont Municipal Bond Bank's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

Continuing Disclosure Undertaking

Prior to the issuance of the Bonds, the Vermont Municipal Bond Bank (the "Bank") and U.S. Bank National Association, as dissemination agent (the "Dissemination Agent") will enter into a continuing disclosure agreement (the "Disclosure Agreement") setting forth the undertakings of the Bank regarding continuing disclosure with respect to the Bonds. In the Disclosure Agreement, the Bank will undertake for the benefit of the registered owners and Beneficial Owners (the "owners") of the Bonds to provide to the Municipal Securities Rulemaking Board ("MSRB") through its Electronic Municipal Market Access ("EMMA") system pursuant to Rule 15c2-12 of the Securities and Exchange Commission (the "Rule"), within the meaning of the Rule, not later than September 1 of each year, (i) the annual financial information described below relating to such fiscal year, together with audited financial statements of the Bank for such fiscal year if audited financial statements are then available, provided, however, that if audited financial statements of the Bank are not then available, such audited financial statements shall be delivered to EMMA when they become available (but in no event later than December 1 of each year) or (ii) notice of the Bank's failure, if any, to provide any such information. The annual financial information to be provided as aforesaid shall include financial information and operating data, in each case updated through the last day of such fiscal year unless otherwise noted, relating to the Bank, in each case substantially in the same level of detail as is found in the referenced Official Statement, including in any event an update of the information set forth in Appendix B of the final Official Statement.

In addition, the annual financial information shall contain the following information received by the Bank from each Obligated Person, if any, pursuant to the Loan Agreements: (a) the financial statements of each Obligated Person, if any, for the most recently ended fiscal year, prepared in accordance with generally accepted accounting principles as in effect from time to time or otherwise in accordance with applicable state law, if any, and (b) operating data for each Obligated Person, if any, for the most recently ended prior fiscal year which will include, to the extent applicable to the Obligated Person: (1) tax base and rates and collection percentages; (2) service charges, fees or rates and use data; (3) number of customers or students; (4) number of employees; (5) material changes in service delivery capacity; and (6) gain or loss of contracts having or projected to have a material impact on its financial position. "Obligated Person" means any Municipality that has issued Municipal Bonds purchased by the Bank in an amount which exceeds in the aggregate 15% of the total principal amount outstanding as of September 1 of each year of Municipal Bonds purchased by the Bank under the General Resolution.

Any or all of the items listed above may be included by reference to other documents, including official statements pertaining to debt issued by the Bank, which have been submitted to EMMA. If the document incorporated by reference is a Final Official Statement within the meaning of the Rule, it will also be available from the MSRB. The Bank's annual financial statements for each fiscal year shall consist of the balance sheet of the Bank and the related statements of revenue, expenses and changes in fund balances and statement of cash flows prepared in accordance with generally accepted accounting principles in effect from time to time. Such financial statements shall be audited by a firm of certified public accountants appointed by the Bank.

In the Disclosure Agreement, the Bank also will undertake for the benefit of the owners of the Bonds to provide to EMMA in a timely manner, not in excess of ten business days after the occurrence of the event, notice of any of the following events with respect to the Bonds or with respect to any Municipal Bonds in accordance with the Loan Agreements:

- (i) principal and interest payment delinquencies;
- (ii) non-payment related defaults, if material;
- (iii) unscheduled draws on debt service reserves reflecting financial difficulties;
- (iv) unscheduled draws on credit enhancements reflecting financial difficulties;
- (v) substitution of credit or liquidity providers, or their failure to perform;
- (vi) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the security, or other material events affecting the tax status of the security;
- (vii) modifications to rights of security holders, if material;
- (viii) bonds calls, if material, and tender offers;
- (ix) defeasances;
- (x) release, substitution or sale of property securing repayment of the securities, if material;
- (xi) rating changes;
- (xii) bankruptcy, insolvency, receivership or similar event of the obligated person;
- (xiii) the consummation of a merger, consolidation, or acquisition involving an obligated person or the sale of all or substantially all of the assets of the obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
- (xiv) appointment of a successor or additional trustee or the change of name of a trustee, if material.

For the purposes of the event identified in subparagraph (xii) above, the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the Obligated Person in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Obligated Person, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Obligated Person.

Nothing in the Disclosure Agreement shall preclude the Bank from disseminating any information in addition to that required under the Disclosure Agreement. If the Bank disseminates any such additional information, nothing in the Disclosure Agreement shall obligate the Bank to update such information or include it in any future materials disseminated.

To the extent permitted by law, the provisions of the Disclosure Agreement shall be enforceable against the Bank in accordance with the terms thereof by any owner of a Bond, including any beneficial owner acting as a third-party beneficiary (upon proof of its status as a beneficial owner reasonably satisfactory to the Bank). To the extent permitted by law, any such owner shall have the right, for the equal benefit and protection of all owners of the Bonds, by mandamus or other suit or proceeding at law or in equity, to enforce its rights against the Bank and to compel the Bank and any of its officers, agents or employees to perform and carry out their duties under the foregoing provisions as aforesaid, provided, however, that the sole remedy in connection with such undertakings shall be limited to an action to compel specific performance of the obligations of the Bank in connection with such undertakings and shall not include any rights to monetary damages. The Bank's obligations in respect of the Disclosure Agreement shall terminate if no Bonds remain outstanding (without regard to an economic defeasance) or if the provisions of the Rule concerning continuing disclosure are no longer effective, whichever occurs first. The provisions of the Disclosure Agreement may be amended by the Bank and the Dissemination Agent, without the consent of, or notice to, any owners of the Bonds, (a) to comply with or conform to the provisions of the Rule or any amendments thereto or authoritative interpretations thereof by the Securities and Exchange Commission or its staff (whether required or optional), (b) to add a dissemination agent for the information required to be provided by such undertakings and to make any necessary or desirable provisions with respect thereto, (c) to add to the covenants of the Bank for the benefit of the owners of the Bonds, (d) to modify the contents, presentation and format of the annual financial information from time to time as a result of a change in circumstances that arises from a change in legal requirements, or (e) to otherwise modify the undertakings in a manner responding to the requirements of the Rule concerning continuing disclosure; provided, however, that in the case of any amendment pursuant to clause (d) or (e), (i) the undertaking, as amended, would have complied with the requirements of the Rule at the time of the offering of the Bonds, after taking into account any amendments or authoritative interpretations of the Rule, as well as any change in circumstances, and (ii) the amendment does not materially impair the interests of the owners of the Bonds, as determined either by a party unaffiliated with the Bank (such as Bank bond counsel) or by the vote or consent of owners of a majority in outstanding principal amount of the Bonds affected thereby at or prior to the time of such amendment.
